Welcome!

The Murphysboro Chamber of Commerce was incorporated on February 17, 1923. Since that time, we have set an objective to foster and promote the general welfare of the community of Murphysboro and the surrounding area. We place a special emphasis on forming a voluntary partnership of businesses and professional people working together to build a healthy economy and to improve the quality of life in southern Illinois.

The Chamber is governed by a Board of Directors that are elected by its members. The board sets policies for the Chamber and serves without pay on the many active committees. Committees are the backbone of the chamber. They are the workforces that accomplish all of the organization's goals and objectives.

The Chamber of Commerce is financed through membership dues and fund-raisers. The membership consists of businesses, civic organizations, and individuals. Becoming a member of the Murphysboro Chamber of Commerce is an investment in the future of the individual's and the community's welfare.

Any business or individual sharing a common interest in our community is welcome to become a part of our Chamber of Commerce. It takes everyone working together to make our community a better place for everyone to live, work, and play.

Together we can #MoveMurphysboroForward.
